NATURINA Capsules

'True beauty comes from within' as we say. In order to achieve this we need: a well-balanced state of mind and contentment from within. This depends on an optimal supply of vital vitamins for our body.

Many factors influence our nutrition utilisation - stress, sport, eating habits as well as our own personal lifestyle - which we need to form the nutrients in our body like Carotene. Carotene is needed to encourage hair and nail growth and gives us healthy skin. The body needs a well-balanced and ample intake of these vital elements - if not, our system will be out of balance. So: consciously take care of yourself and pamper yourself - with the NATURINA care products.

Look good - feel good.....

NATURINA Capsules contain all the important vitality substances (calcium, biotin, zinc, vitamin B complex and nicotine-amides) in sufficient supply and in a sensible ratio.

NATURINA Capsules are a nutrition additive and are unique due to the bio-active ingredients.

NATURINA Capsules are a bio-active care product. Finely tuned with the NATURINA Shampoo and Hairtonic for an attractive radiant look, beauty and well-being for your work and leisure time.

NATURINA Capsules

Contain valuable natural ingredients: calcium (vitamin B5) for healthy hair and firm nails and biotin (vitamin H) as the skin, nail and hair vitamin. Zinc assures a better hair growth and protects the skin cells. The vitamin B complex with the vitamins B1, B2, B6 and B12 influence the metabolism positively and have a central function for the hair roots and cuticles. Nicotine amide is also essential for good metabolism functioning.

Healthy hair needs plenty of:
