NATURINA - CARE SERIES

Natural active care products

NATURINA -

A complete series, well-targeted, effective.

Look good - feel good. Myself and how people see me. Naturally!

With lovely skin, firm nails and shining hair. Just me!

NATURINA -

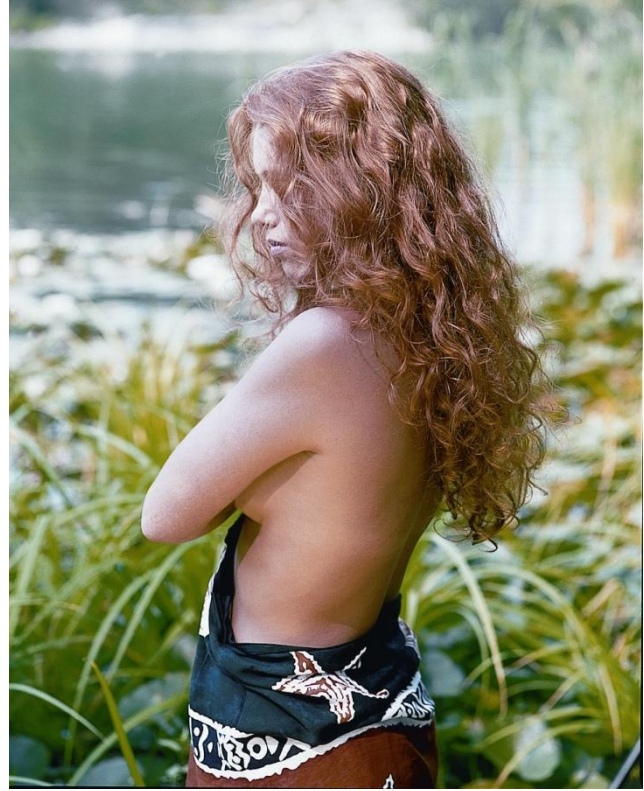

Our series consists of three ideally balanced ingredients of our naturally active care products.

NATURINA Capsules
NATURINA Shampoo
NATURINA Hairtonic

The NATURINA care series works only with their natural raw materials - gently and safe. There is no necessity for: chemical additives, animal based ingredients or testing on animals.

NATURINA Capsules are a bio-active care product. Finely tuned with the NATURINA Shampoo and Hairtonic with vitamin E. For an attractive radiant look, beauty and well-being from inside and out.

**NATURINA. . .
. . .care is more.**

NATURINA - a product made in Germany. Five well-known producers with 30 years experience in beauty care products have worked on the development of the NATURINA series.

Long term and intensive research is the basis of all our NATURINA products - always manufactured to the latest standards.

NATURINA - a natural active care series with vitamin E - composed of capsules,

shampoo and hairtonic.

NATURINA Capsules - contain the most important ingredients in sufficient amounts and in well-balanced proportions for healthy nutrition.

NATURINA Shampoo - cleanses and cares for your hair with well-chosen natural substances - completely in tune with the build up effects of

NATURINA Hairtonic - for the optimal finish and an intended natural hair care

NATURINA - the natural bio-active care series, with a combination of ingredients which is unique on the European market.

Our products are tested dermatologically. We only use natural raw materials - no chemical additives. We reject the use of any animal substances.

NATURINA is a bio-active care series with vitamin E, the series includes shampoo, hairtonic and capsules. For many years now we have carried out intensive research to improve our products - and we can rightly say that we are at the most up-to-date level of development.

**NATURINA is . . .
. . .a finely tuned bio-active care product series**
